**Many Mini Ministry Mysteries**

**Chrismons**

**Did you know.....?**

The white and gold 'Chrismons' that graced our sanctuary tree were made by members of St. James' A.C.W. (Anglican Church Women) and the children of the Sunday School in 1983 when our place of worship was St. Chad's Chapel on the U. of S. Campus. The beauty and symbolism of each 'Chrismon' portrays to all worshippers at St. James' Our Lord's purity and perfection (white), majesty and glory (gold) as well as Christ's Love for all.
